## **CLUB REQUEST FOR AFFILIATION**

The Association will only consider a request for affiliation once the following criteria has been met:

### **Requirements**

- A request in writing on a club letterhead which describes your club and future goals
- A copy of your clubs Constitution indicating your executive committee members
- Identification of your club's home ground.
- Home ground must have full facilities (changing rooms, toilets)
- Home ground must be situated within the Associations demarcated area
- Describe directions and availability of ground

NB: Unless approved by the Executive and the exception of one existing affiliated member, all matches controlled by the Association will be played within the demarcated area of the Local Football Association

The criteria to reach the Football Association of Pretoria (FAP) office no later than the last week in October for affiliation for the following year.

The request will be placed on the Agenda of the Annual General Meeting held in the third week of November of each year.

Current clubs in the Association will then vote on your club's acceptance for the following season.

Yours in Sport

John le Roux

President: Football Association of Pretoria
