CLUB REQUEST FOR AFFILIATION

The FAP Executive will only consider a request for affiliation once the following criteria has been met:

Requirements / Documentation Criteria

- A request in writing on a club letterhead which describes the club's current and future goals.
- A copy of the club's Constitution stipulating the members of the club's executive committee.
- Identification and details of the home ground where the club's team(s) will practice and play home games.
- Letter of confirmation from owner(s) / proprietor(s) / administrator(s) of the above identified ground.
 - No consideration will be made for a request to play all home games away.
 - Home ground must have full facilities (Ablutions etc.)
 - Home ground must be situated within the FAP's demarcated area
 - Describe directions and accessibility of ground

NB: Unless approved by the FAP Executive and the exception of one existing affiliated member, all matches controlled by the Association will be played within the demarcated area of the Local Football Association

The documentation criteria must reach the Football Association of Pretoria (FAP) office no later than close of business (12:00 midday) on the 31st of October (1st November if the 31st October is a Sunday) for affiliation for the following season.

The FAP Administrator will forward only the applications that have submitted all the documentation (No extensions will be considered) to the FAP Executive for application acceptance

- Accepted applications will be distributed to all clubs.
 - Clubs whose applications are accepted will be invited to make representation to the Annual Congress Meeting to be held in the third week (last Wednesday) of November for FAP member's acceptance.
 - Failure to make representation will force application to be rejected.
- Clubs whose applications are rejected will notified accordingly.

Yours in Sport
